Established in January 2008, Orion Dental Centre is located upstairs in the Orion Springfield Town Centre. It offers Greater Springfield residents a modern, comfortable family dental practice. Principal dentist, Dr Bryan Dubbeldam has over 15 years of experience, and is ably supported by a staff that collectively brings 20 years to the practice.

The Springfield College families can be assured that a high level of dental care is, quite literally, just around the corner. Orion Dental Centre is proud to offer 5% discount to Community Alliance card holders on all diagnostic and preventive services, including examinations, x-rays, professional cleaning and mouthguards.
