Picture Moments family photography has a style which is both natural and refreshing. Since formed in 2006, we have transformed the landscape of professional family portraiture. When you come to our sitting, you will be surprised at the amount of energy level expanded in the studio. The way we capture the moments is quite exhilarating. Our large studio will cater for a family and is located comfortably in the Orion Shopping Centre on the upper level where the professional suites are. To make a booking, ring us on 3470 1711 and we will love to see you.
